Secret and Urgent.

Dear Sir,

Subject:-Training.

Reference: Your No. 25395 G dated 10th April 1944.

Please refer to my letter of even number dated 10th April 1944.

2. I have consulted the Deputy Commissioner, Kadur District on the subject. He reports that the area now selected by the military authorities for Mobile Jungle Training is not a forest area, but consists of only paddy fields and Coffee Estates. He says that this area covers about three-fourths of the entire paddy area of the District.

3. As the proposed Mobile Jungle Training operations in this rich paddy area would seriously affect the food situation in the State, the Deputy Commissioner is of the opinion that a more suitable area in the limits of the "State Forests" may be selected.

4. It would be much appreciated if the military authorities would re-exam... the position in the light of the Deputy Commissioner's remarks and let me know their decision, as early as possible.

5. The plan is herewith returned.

Yours faithfully,

Sd/ M. Seshadri.

Dear Mr. Vedavyasacharya,

Subject: TRAINING.

In continuation of my D.O. letter of even number dated the 14th instant, on the above subject, I am sending herewith copy of a letter received just now from the Head Quarters, 160 L of C Sub Area on the same subject.

2. The area referred to has been selected by the Military authorities in consultation with the Deputy Commissioner, Kadur District. I recommend that permission may be granted to carry out jungle training in this area subject to the usual conditions. As suggested by the Military authorities, the Sub Division Officer, Chikmagalur will be asked to work as a local Civil Representative with the Unit during the period of training.

3. When I called at the Head Quarters, 160 L of C Sub Area, this afternoon, I gathered that the practice will not involve any serious damage to trees or other forest properties. For the artillery practice, an un-objectionable area involving no evacuation of villages will be selected by the Military Officers in consultation with the local Civil Representative. The Deputy Commissioner, Kadur is agreeable to this arrangement. I am sending herewith a copy of his letter.

4. It was explained to me at the Head Quarters, 160 L of C Sub Area this afternoon that it is most urgent that the training should commence on the 1st of May. I would therefore be grateful if you will let me have the orders of Government immediately.

Yours sincerely,

Letter No. Jl. C. 4471/43-44 dated 21st April 1944 from the Deputy Commissioner, Kadur District, to the Revenue Commissioner and Civil Representative in Mysore, Bangalore.

In continuation of my previous letter No. L.Dis.Jl.P.R. 751 C.4471/43-44 dated 11th April 1944, I have the honour to state that Captain Darke on behalf of the Commanding Officer in charge of the Contingent undergoing mobile jungle training saw me today and represented that you had requested the - - Military authorities to meet me and to select suitable locality for the purpose of mobile jungle training and for - - - artillery practice. I am of opinion that the area covered by Muthodi State Forest and Lakkavalli State Forest is not objectionable and the mobile jungle training can take place in this area. Another suitable area is the State Forest between Gangamoola and Kudaremuk. I have informed Captain Darke that as this District depends for its supply of meat, milk, vegetables, etc., on places outside the District they may kindly make their own arrangements for their requirements and that no Civil Officer who will be present in the camp can make the necessary arrangements. I further wish to suggest that the Sub Division Officer, Chikmagalur, may be appointed as Civil Representative who should accompany the unit to the camp and live with them. Finally for purposes of artillery practice only the area where there is absolutely no cultivation may be selected. The Commanding Officer may kindly be requested to keep away from the cultivated land as much as possible. As Captain Darke feels that the matter is urgent

urgent I am sending this letter with him for your kind orders.
